Cyprus - Liopetri - Famagusta Prices from £49,000

1-2BED APARTMENTS WITH COMMUNAL SWIMMING POOL

The most well liked development of apartments ever launched by any developer. This fantastic project is said to satisfy the most demanding holidaymakers, and also retirees. It is situated in Liopetri village area overlooking superb rural landscape. This outstanding project includes ten luxurious one –two bedroom apartments, most of them will enjoy views to the communal swimming pool. Each apartment will have the benefit of a covered parking place, and also the benefit of using the truly beautiful communal swimming pool. Liopetri offers most of the amenities of a village including supermarkets, restaurants, pubs and schools. The village has also been very popular for its incredible taverns where people can enjoy all type of cuisine in a very gracious atmosphere. Within three minutes drive you can find the fishing shelter of Potamos Liopetriou with its traditional taverns, the resort of Ayia Thekla with a nice sandy beach, the future planned golf course, the Water Park and another five minutes drive the Ayia Napa tourist resort. For further details and a site viewing please contact us.
