Canary Islands ~ Fuerteventura

2 bed bungalows from £135,000

Fuerteventura is one of the Canary Islands most spectacular wonders. Its beautiful landscape with white sandy beaches, crystal blue sea and tropical flora make for a wonderful place to unwind. This magnificent island is home to some of the finest beaches, over 150 unspoilt stretches of silky sand, many of which lie relatively untouched and unexplored by tourists. Less than 150 km from Africa, the island enjoys a sunny, warm climate throughout the whole year that makes Fuerteventura the perfect location for your ideal home in the sun.

Fuerteventura offers an infinite amount of attractions and for golf enthusiasts there beckons the 18-hole golf course, located by the coast. The delightful climate throughout summer and winter means this exciting course can be enjoyed at any time of the year. Inland Fuerteventura also offers beautiful mountain scenery and great opportunities to venture outdoor pursuits. One can also visit the idyllic island of Lobos and the livelier island of Lanzarote.
