Mallorca - Cala Figuera Townhouse £240,830

Lovely 3 bedroomed detached house near to the beautiful fishing port of Cala Figuera with panoramic views from the roof terrace.

More than anywhere else in Mallorca, Cala Figuera retains the atmosphere of a working fishing port. White-painted houses reach down to the water's edge and fishermen sit on the steps mending nets if you get here early enough in the morning you might even see the catch coming in. It is set in a natural cove and is not as developed or commercialised as other locations on the island. It is popular with families and its shops, bars and restaurants cater for people of all ages. Located in the southeast of Mallorca, approximately 50 kilometres from Palma and 60 kilometres from the airport.
