2 bed apt £194,759 - 3 bed apt £213,407 - Penthouse £346,600

Denia's beaches have continuously received the European Blue Flag award for their outstanding quality, fuelling huge demand for beach side apartments. This new build development represents one of the last opportunities to buy a strictly front line beach property in this sought after stretch of Las Marinas, 10km from Denia city centre.

This exclusive complex comprises 150 two and three bedroom luxury apartments over the first two floors, and duplex penthouses above, with outdoor jacuzzis. All units enjoy breathtaking sea views, as well as air conditioning, central heating and an alarm. There are beautifully laid out tropical gardens and large swimming pools with paddling areas for children. Olivia Nova Golf Course is just a few minutes drive away.

Denia lies at the far north of the Costa Blanca, within easy reach by road of Alicante and Valencia. An excellent investment opportunity, as well as offering good rental potential in this highly desirable area and beach side location.
